ART CAPTAIN 2020 - 21

I am thrilled that I am Art Captain this year. It is what I have wanted since Reception.

I love Art because I find it fun and relaxing. I always like it when I just sit down, relax and do some art.

*'Art has always been my escape from the
hard world to a quiet place'*

I love learning new techniques in Art. It is so fun learning new techniques. My favourite type of art is painting and charcoal.

I've always known I will become Art Captain. I've just pressured Mrs Tattersall too much! I love the Art Room because it has access to every art supply you could ever need.

My advice to boys who love Art: Just enjoy it and you will go far!
