

## Activities and Clubs

**Programme Outline:** In order to assist your planning, those activities which are by **invitation only** are highlighted on the outline in **Red**. This information will hopefully allow you to see the bigger picture and plan accordingly. All After-School and Pre-School Training sessions have been highlighted in **Blue**. Private Coaching sessions with our professional coaches are highlighted in **Green**.

### **After and Pre School Sports Training:**

AST provides all boys within the School (Years 4-8) with an additional opportunity to fine-tune existing skills and learn new techniques. Training is open to ALL boys (with the exception of 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> Team training, which is only open to those boys in that specific squad) regardless of whether they are involved in teams, looking to break into a team, or merely looking to enjoy the sport. Whilst there are specific evenings for the senior squads, the younger age groups train together.
